FAVORS END OF EMERGENCY REGULATIONS

A committee of the legislative yuan, consisting of some 20 members, met for 2 1/2 hours on 23 March to consider the following bill: "To advise the President to proclaim according to law the end of the period of mobilization and suppression of disorder, and to stop at once the application of emergency regulations for mobilization and suppression of disorder." Discussion was very spirited and almost every member expressed an opinion. The final decision was to report the original bill on the floor without change.
